INDEX

Page numbers in italics refer to tables and figures.

A
Abramova, Faina, 251
academic scams, 266–67
Academy of Equitation (Lyon), 5, 6–7
acquired immunodeficiency disease syndrome (AIDS), 216
actinomycosis (lumpy jaw), 86, 88
Adams, Eugene W., 318n6
Adams Act (1906), 113–14
adenoviruses, 206
_Aedes aegypti_ mosquitoes, 82
AFIP (Armed Forces Institute of Pathology), 200, 202–3, 320n32
African swine fever, 262
agricultural depressions (1920–1940), 139–66; during 1920s, 140–47; New Deal, 161–66; paradoxes of, 158–61; stock market crash and bank failures, 147–52; tuberculin war, 152–58
agricultural experiment stations, 84
Agricultural Research Service (USDA), 213, 217–18, 221, 264
agroterrorism, 256, 261
Ahlers, F. R., 128
AIDS (acquired immunodeficiency disease syndrome), 216
Alabama, hog cholera antiserum plant in, 123
Alabama Agricultural and Mechanical College, 115
Alabama Polytechnic Institute, 116, 280
Albany Medical College, 40
Alexander, Hugh, 164
Alibekov, Kanatzhan, 250
alkali disease (selenium toxicity), 30–31, 296n15
Allen, Sheila, 260, 287
Allied Laboratories, 165
_A l’ombre de Pasteur_ (Loir), 18
American Association of Veterinary Laboratory Diagnosticians, 219
American Beef Association, 220
American Civil Liberties Union, 145
American Dairy Association, 220–21
American Expeditionary Forces University, 136
American Farmer (journal), 24
American Journal of Veterinary Medicine, Pammel and, 91
American Medical Association, Council on Medical Education, 124–25
American Osteopathic Association, 125
American Sheep Industry Association, 221–22
American Veterinary College, 57, 61, 62–63
American Veterinary Journal, 25
American Veterinary Medical Association (previously U.S. Veterinary Medical Association): Committee on Intelligence and Education, 1904 report, 124; criticisms of, 78; on curricular standards for veterinary education, 94; founding and early years of, 60–62; presidents of, 87, 107, 113; Salmon’s address at, 100
American Veterinary Review (later Journal of the American Veterinary Medical Association): advertisement in, 99; Billings’s letters to the editor in, 83; editorials, 65, 102, 110; free veterinary school tuition, advertisements for, 141;
American Veterinary Review (Continued) on glanders bacillus, 21; on Harvard, 127; inaugural issue, 64; Iowa State College, attitude toward, 65; Law article in, 59; Liautard and, 60; Schwarzkopf citations in, 57; Stalker article in, 63; Townsend articles in, 74; Williams's report in, 84–85; on women in veterinary medicine, 242. See also Journal of the American Veterinary Medical Association

Ames anthrax strain, 257–58

The Anatomy of Domestic Animals (Sisson), 112

Anderson, John A., 56
Anderson, O. W., 171
Anderson, “Shorty,” 149
Andreasen, Claire, 246
anesthesia, 104
Angell Memorial Hospital, 190
Animal and Plant Health Inspection Service (APHIS, USDA), 218, 219, 222, 261
Animal and Poultry Disease Laboratory (USDA), 217–18
Animal Disease Research Unit (USDA), 217
animal health networks, 260–64
Animal Medical Center (New York City), 190
animals: immunity in, 17; plagues in, during post–Civil War era, 44. See also cats and cat diseases; cattle and cattle diseases; cows and cow diseases; dogs and dog diseases; pigs and pig diseases

Anne (commercial cargo ship), 1

Annual Report of the Bureau of Animal Industry (1901), 102

anthrax (Bacillus anthracis): bioterrorism using, 256–60; Maryland, outbreak in, 131–32; microscopes and, 19; in Midwest, 67; Pasteur’s vaccine, 18; as potential biological warfare agent, 177, 178, 184; in Prussia, 20; Soviet Union, outbreak in, 248–50, 250; spore stage, 20; Toussaint and, 17; during WWII, 172–73

antibiotics, 191
anti-evolution laws, 145
anti-intellectualism, 145
Anti-Saloon League, 145
anti-science movement, 16
anti-science scams, 104, 264–71
anti-vaccination movement, 13
Anti-Vaccination Society of America, 293n19
Aralsk-7 (Soviet bioweapons site), 202
arboviruses, 162
Armed Forces Epidemiological Board, 179
Armed Forces Institute of Pathology (AFIP), 200, 202–3, 320n32
Army. See U.S. Army
arthropod vectors, 230–31
Arthur, Chester, 80
Association of State and Provincial Veterinary Colleges, 128
Association of Veterinary Faculties and Examining Boards, 101
Atanasoff, John Vincent, 172
atomic age, 196–203
atomic bomb disease (radiation disease), 196, 197–98
Atomic Energy Commission, 197–98
Australia, sheep scrapie in, 232
Austria, early veterinary schools in, 5
avians. See fowl

B
Babbitt, Bruce, 224
Babel Proclamation, 133

Babesia bigemina (previously Pyrosoma bigeminum), 81

Bacillus mallei, 21
**INDEX**
